From the car park, head down the sloped path, past the notice board. Turn left and follow the path (North Downs Way) through the trees.

At a fork in the path take the right-hand path and continue ahead. At the crossroads continue ahead following the North Downs Way.

Follow the path uphill to a gate. Pass through gate (leaving the park) and then at junction turn sharp right to follow the path downhill to a road. The path here is very steep and can be slippery when wet. Beware of traffic.

Turn left and continue following the North Downs Way.

Follow the path for approximately half a mile until you reach a junction at some wooden bollards. Bear right here and continue ahead past remains of an old building to a fork in the path.

At the junction turn right (leaving the North Downs Way) to follow the restricted byway downhill.

On reaching the junction with the road, turn left to follow the bridleway.

At the next junction turn right to follow the path in front of a house.

Follow for 100 metres before taking a right turn, next to barn, through the hedgerow onto a footpath. Keep the fence line on your left and follow along edge of field until you reach a gap leading into an adjacent field. Pass through gap and bear right to follow path past Coney Lodge Shaw and then follow path diagonally across the field.

Follow the path leaving the field through a short section enclosed by trees and hedges to a sleeper bridge. Cross and continue along the path heading past a telegraph pole on your left towards houses.

At junction, turn right to the road. Beware of traffic.

Turn right at junction with road and follow the road uphill.

Cross road at the junction and head to stile opposite. Cross stile and follow path through woods. Cross sleeper-bridge and another stile and continue along path to stile leading out of woods into a field.

Cross stile and follow path towards metal gate at far right edge of field.

Cross stile next to gate and bear right to follow the Wealdway, following path to right, at the junction. On reaching a hard surfaced path bear right.

You will soon pass the Coldrum Stones on your left. These are the remains of a Neolithic Long Barrow 4,000 – 5,000 years old. They are one of seven such tombs around the Medway Valley.

Follow the path, bearing left, as the surface changes to grass.

On reaching a junction under a small wooded area bear left off of the Wealdway onto a footpath. After 200 metres the grass path turns into a hard surface.

Continue past a gate through a small car park. From this car park continue straight ahead to road. Beware of traffic.

Cross road and pass through squeeze stile into a field. Follow path across field towards church in Walk your way to a healthier lifestyle

“Walking for one mile burns virtually the same number of calories as jogging for one mile, it just takes a little longer!”

“Walking is FREE and requires no special equipment or clothing – as long as you are comfortable”

“Regular walking helps reduce the risk of heart disease, strokes, diabetes and high blood pressure”
